CHARTERED ACCOUNTANTS
& BUSINESS ADVISERS

Board Advisory Services

Our Board Advisory Services involve the appointment of one of our qualified and experienced Executives to advise your company's elected Board of Directors. Our aim is to give strong, self motivated assistance and expert guidance to your management team, helping to keep you on track and develop the potential of your business in an added value, cost effective way.

Benefits of our advisory work:

- **Trusted relationship**
- **Independent but committed to working hard for your success**
- **In depth business and financial expertise**
- **Full understanding of your business and its objectives**
- **Specialist skills and networks – almost facilitating a ‘one stop shop’**
- **No executive operational duties and minimum disruption to existing management structures**
- **Objective approach to strategic planning and financial monitoring**
- **Project and change management**
- **Knowledge transfer and mentoring**
