## **Management Reporting**

Our goal is to provide you with a tailor-made management reporting regime that meets your business requirements. We will discuss your needs in detail and work with you in improving the financial management and control of your organisation.

### **We can assist you in the following:**

- **Preparation of management accounts**
- **Development of budget procedures and monitoring**
- **Funds flow and bank monitoring**
- **Key Results Indicators (KRI's)**
- **Development of performance and Key Performance Indicators (KPI's)**
- **Financial Performance Reviews**
- **Non-executive meetings**
- **Management support and advisory**
